ENTRY PANEL WITH LETTER BOX

The Elvox® 2500 Series provides a compact entry panel with audio or audio/video combined with a mailbox. The entry panels are a perfect choice for single and dual family residences. The 2501 and 2502 are audio only panels for single and dual family units respectively. 930 style speaker/mic mounting is provided. They include a rear access mailbox with a front panel mail delivery door. The 2550/301 and 2550/302 can be used in an audio or audio/video by selecting to add a 930 style speaker/mic and/or camera style 570. These panels allow for optional front or rear panel mail doors. The 2550 series also has a front panel mail delivery door and mail viewing window.
