620R Petrarca Series 5 Wire AC Buzzer Ring Apartment Handset

The Elvox Model 620R is a Petrarca Style apartment handset for use with the 5 Wire AC Buzzer Ring Audio entry systems. The 620R can be use standalone as an audio only station or combined with a 6000 using a 6145 wall pate or 6142 desk kit for a complete audio-video station. The 620R provides full duplex conversation with the calling entry panel, concierge call/door release control and signal to activate the 6000 monitor when both are mounted together for audio-video operation. Optional restricted lock feature allows only the station in conversation with door to release lock.
